DIGITAL CITIZENSHIP

Dear Parents/Guardians,

The Grade 5 teachers of BES have created an Acceptable Policy for Parents/Guardians and Students adapted for this specific grade level. Please take a moment to read this important information.

STUDENT RESPONSIBILITIES :

- Devices must be brought to school fully charged each day.
- The ipad must be turned off when work is completed.
- Use devices in a responsible and ethical manner.
- Do not play with your ipad on the playground in the morning and after school.

STUDENT ACTIVITIES STRICTLY PROHIBITED :

- illegally install or transmit copyrighted materials.
- Use another student's device.
- Send or display offensive messages or materials.

- Using Social Media during class time (Facebook, twitter,) and texting.
- Trespass in other's folders.
- Pictures/images cannot be taken and/or published of anyone on school property or during school sanctioned events without permission.
- Gaming during class time.
- Playing with the device during instruction time unless indicated otherwise.
- Downloading apps requiring money.

PARENTS RESPONSIBILITIES :

- Making sure students have downloaded the appropriate apps.
- Ensuring their child has the device charged and brought to school on a daily basis.
- Having discussion regarding TELP in general

CONSEQUENCES :

If a student does not respect these TELP rules, he/she may be sent to the office depending on the gravity of the offense. Parents will also be contacted. The ipad may be taken away in class for a short period of time. However, the student will have it back to take home at the end of the day.
